Key Update For 2024: As shared during registration, to streamline our process and minimize the potential for medication errors, we're introducing a new medication administration system using an industry standard practice called "blister packing". If you haven't yet, please review our new Medications page.

What's The Same: 1) All prescription and over-the-counter medications, supplements, and vitamins must be checked in with our Healthcare Team during drop-off. 2) Do not send basic over-the-counter meds unless taken routinely. 3) We cannot dispense medications that are not professionally labeled/packaged. What's New: All daily/scheduled prescription and over-the-

What's New: All daily/scheduled prescription and over-the-counter oral medications, vitamins, and supplements in pill or chewable form must be blister-packed by a licensed pharmacist. Exceptions include as-needed medications, inhalers/epipens, liquids/creams, and medications already blister-packed as a part of original packaging. For more, please visit: glisson.org/meds
