ELI + GROW	11-12	ELI Leader Week \$350 after \$500 leader award to first 50 accepted	Servant Leader Practicum (1 to 8 weeks) The Experiential Leadership Institute (ELI) is a multi-week leadership development experience for rising 11-12th graders. It's a guided exploration of who God created you to be and how God created you to lead. During ELI Leader Week, participants explore what it means to be a Christian servant leader and to live in Christian community. During their Servant Leader Practicum, participants practice what they've learned as volunteer counselors at Grow Day Camp sites at churches across the North GA Conference while continuing to receive guidance from ELI coaches.

WHY ARE THERE MULTIPLE PRICES?

For decades, denominational support has allowed us to offer camp at fees lower than costs. In response to and anticipation of reduced support – and because this year's market forces made a larger-than-normal fee increase necessary – we've expanded our pricing tiers to offer families the choice of camp fee that best fits. More at: glisson.org/FAQs

TIERED PRICING OVERVIEW

Tier 1 | **Campership** | donor funding that helps ensure cost doesn't keep kids from camp (application)
 Tier 2 | **Reduced Fee** | our normal, subsidized cost with this year's increase reduced for those who need it
 Tier 3 | **Default Fee** | our normal, subsidized cost – many thanks to North Ga United Methodists!
 Tier 4 | **Actual Cost** | the actual cost of the summer experience (+\$150 donation)
 Tier 5 | **Sustaining Cost** | actual cost plus ongoing expense of maintaining quality facilities (+\$300 donation)
 Note: During registration, "Tier 3" will be the default charge. If you select another of the 4 tiers, a fee adjustment (reduction or donation) will be made in your account by our staff after completing registration.

COVID-19 INFO

Offering safe faith-forming experiences will always be our top priority. For Summer 2022, it is our intent to return to a normal camp experience by removing all of last summer's "during camp" program restrictions (e.g. cabin cohorting, masking, etc.). In order to do so safely, our mitigation plan depends on preventing COVID-19 from entering camp. More at: glisson.org/covid
