

## 100th Anniversary Event Details: FAQs & Packing List

### Is there anything that will happen on Friday night? Can I participate?

- Each event will have an opportunity to hang out at camp on Friday for a night of worship in the chapel and a chance to sit by a fire to make a s'more or two, reconnect with old friends, and make some new ones too. All registered participants are able to attend this offering, but overnight lodging on-site will only be available for those who reserve it prior during the registration process.

### What is the Cancellation Policy?

- Notice of cancellation must be received by Glisson staff in writing (email or postal mail) in order to be processed.
  - **More than 4 weeks prior to the event:** If notice of cancellation is received more than 4 weeks (28 days) prior to the start of the event session, a full refund will be automatically processed
  - **Within 4 weeks of the event:** If notice of cancellation is received within 4 weeks (28 days) of the event session, the \$40.00 registration fee is forfeited. \*Any add-on purchases paid to reserve activities or lodging are fully refunded\*

### What is the Transfer Policy?

- There is no charge for transfers as long as they are requested more than 4 weeks prior to the event session. Transfers are subject to event availability. Within 4 weeks, transfers will come with a \$10 transfer fee. No transfers are able to be made within 2 weeks of the event.

### Who has to register?

- All attendees. So that we know everyone we have on site, everyone who attends the event has to register – even your 0-6 year-old kiddos. Speaking of little tikes, participants under the age of 7 at the start of the event will have a discount automatically applied to waive the \$40 registration fee. On a related note, participants 6 and under will not receive a t-shirt, but shirts and other merch will be available in the Camp Store during the event.

#### **What activities are available during the event?**

- For those wishing to add on additional options during these time blocks, those are available for reservation during online registration and may be available for registration on the day of the event, pending availability. These add-on activities will each carry minimum age requirements and will vary depending on the weekend chosen Options could include:

#### **Do I have to stay for the entire event?**

- Attendance for the full day event is not required, however price will not be adjusted for shorter timeframes.

#### **Are there differences between the events?**

- The most obvious difference between the events will be the season in which each event happens. This will cause some variation between events (activities that are offered and potentially some locations of events), but by and large, event differences will be minimal. The November event will have a focus of remembrance of the saints that came before us over the past 100 years of belonging at Glisson.

#### **Is my pet allowed to come?**

- Sorry, no. Pets are **not** permitted at any of the 100th Anniversary Events.

#### **What does the reg fee cover?**

- The registration fee aims to cover the cost of the event. This will include lunch, a 100th anniversary t-shirt, and any supplies needed for activities and the event.

#### **Is there a Packing List somewhere?**

- Absolutely! See the next page.

#### **What if this list of questions didn't answer my question?**

- Email our team at [events@glisson.org](mailto:events@glisson.org) or call the camp office at 706-864-6181.
