

## RECOMMENDED PHARMACIES

**Finding A Pharmacy:** First, call your pharmacy and ask if they offer blister-packs. If not, please know that many local, independent pharmacies (i.e. family-owned rather than national chains like CVS, etc.) offer this service. Below is a list of pharmacies across the northern half of Georgia we have called and can confirm offer blister-packing. If you cannot find a pharmacy close enough to you that offers blister packing, you might prefer to go with our local pharmacy option: Woody's Pharmacy in Dahlonega (see [Medications page](#)). As you're selecting a pharmacy, please know that pharmacies vary widely in cost and turn-around time. We highly recommend calling your pharmacy of choice well in advance to ensure they are a good fit for your family's context (cost/timing/insurance). Charges for blister-packing generally range from \$1.50 to \$25 per card, depending on the pharmacy and the number of medications and doses. While some offer same-day service, most turn-round times vary from 1-day to 2-weeks. Thank you in advance for partnering with us in this way as we strive to provide the best possible care for campers.
